

# PROLOGUE

Despite being in a relationship with the blue blur for a while now, the ultimate lifeform wanted to show how serious he was by getting a warm winter home for the both of them to live together sometimes.

However there was a book that came with the house called The Snow Queen. They rub it off as just a fairytale which becomes their biggest mistake. Causing Shadow to be cursed and leaving Sonic behind.

Can Sonic bring his partner back from the cold once more?

# CONTROLS

It is highly recommended you play this game with a keyboard.

Use the arrow keys or WASD if you prefer to move Sonic around.

To interact with people and objects press the Z key or Spacebar.

If you wish to access the menu press the X button.

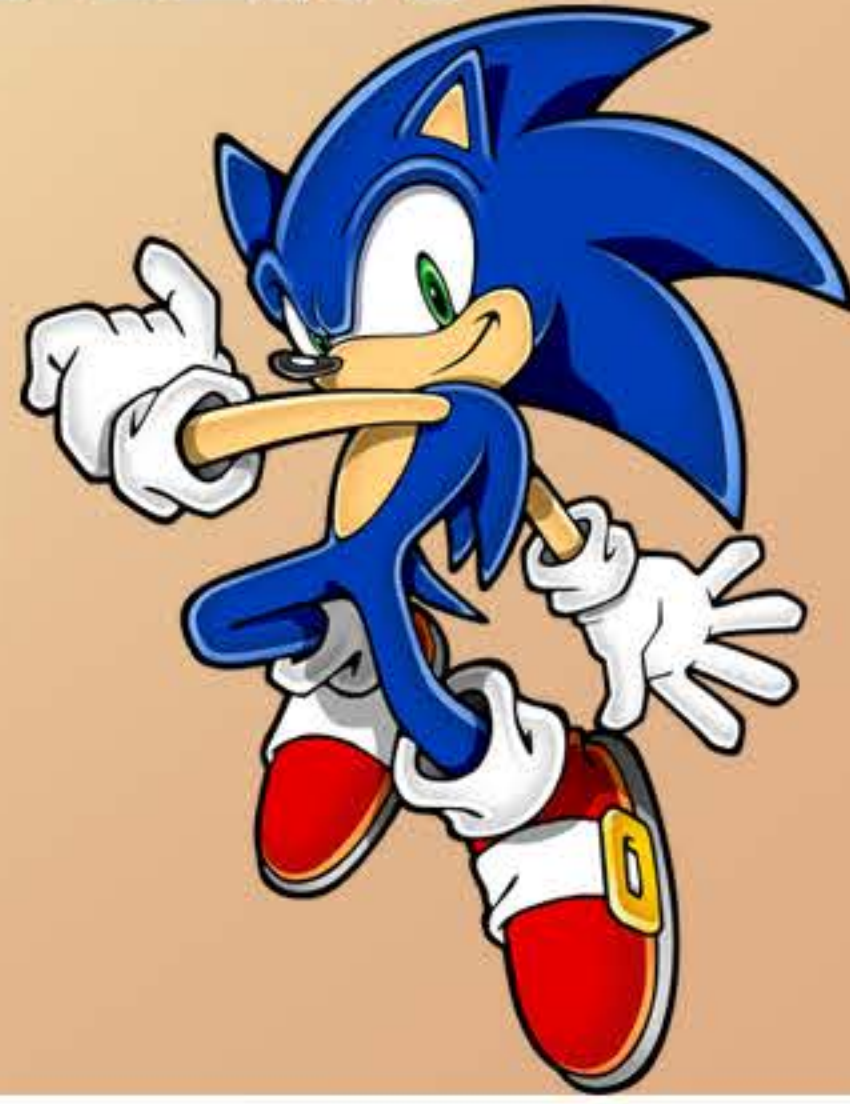

Sonic can also hop to special platforms! To hop press the C key.

# CHARACTERS

## SONIC THE HEDGEHOG

The world's fastest hedgehog with a heart of gold is now with the ultimate lifeform himself! He's the same old Sonic as we know him but arguably a bit more mature. A guy who loves adventures even when it contains saving a loved one. No matter the circumstances he will always keep running and fight the cold.

# CHARACTERS

## SHADOW THE HEDGEHOG

The ultimate lifeform, Shadow has found happiness with his blue blur rival and wishes to make more happy memories in the future.

Before Shadow wanted to get revenge by destroying the world but now he has turned a new leaf and wishes to protect the world Maria loved so much.

Can be seen as stoic and serious although he is only softer to those he cares about.

An anti hero at will but a kind heart he is

# CHARACTERS

## THE SNOW QUEEN

A cold and mysterious woman from The Snow Queen fairytale story. Overhearing Sonic and Shadow's conversation she decides to curse Shadow's heart and take him away to her castle forever. Despite her cold exterior it seems she is hiding a pain behind those eyes.
